3 rd Place	Bensham Manor
4 th Place	Bensham Manor
PLATE COMPETITION	
Winners	St Philips
Runners Up	Freemantles
3 rd Place	The Park
4 th Place	Clarendon

Hosted once again at Cobham RFC this year's annual SSSSA Tag Rugby tournament on 19th October 2017 was again very successful.

The weather was ideal rugby weather- i.e. it drizzled and the sun came out periodically! For various reasons this year, many of them related to staffing issues, a number of schools were sadly unable to attend. This meant a change in format as with just 8 teams from 7 schools we were able to incorporate time for a coaching session with the Sports Leaders from Esher College. This was well received by all and we must, of course, extend a huge thank you to Gareth Jones for bringing his fantastically mature and able Sports Leaders to support our event.

The standard of play was, again, high and skills were furthered by both the work of the Sports Leaders and the support of the referees and school staff. Considering all students played every game all day so without much break time I am very impressed the standard of play wasn't affected greatly as well as their stamina!

We would certainly find it difficult to stage this tournament if Cobham RFC weren't able to host it so, thanks again, to Suzanne at the club and the President, Lionel, for presenting the medals and trophy.

Our referees, organised by Suzanne, were very supportive and really helped the tournament to keep to time, which I am grateful for in particular!

Thank you to everyone who supported and helped make today such an enjoyable, fun and successful experience.

Finally, of course, huge congratulations to Wishmore Cross and St Philips who won the Trophy and Plate competitions respectively.
